Press Release

EPC'S NEW 3 YEAR ENCODER WARRANTY IS LONGEST IN INDUSTRY

FOR IMMEDIATE RELEASE

SANDPOINT, IDAHO, JULY 18, 2001: Encoder Products Company (EPC) announced today the extension of their standard product warranty from two to three years, making it the longest encoder warranty available in the industry. The new extended warranty represents the company's ongoing commitment toward continually raising the bar for quality and reliability standards in the industry. According to the company, incorporation of the latest technologies, and improvements in their design and manufacturing processes, have created a product that is far superior to anything previously available.
